

(GC Z9 - GOLD,120) Dynamic,0:00-24:00

December 2009 Comex Gold 2 hour chart Aug 21, 2009

A close above the resistance line shown should target \$980. The Dollar continues clinging to support near 78.00 on the USDX chart. A downside breach of 77.50 should allow gold to run to \$980 and possibly higher
